RAYMOND WEIL

RAYMOND WEIL is the name of a Swiss watchmaking Maison and that of a family which has for almost half a century been embedding its values at the very heart of its watches.

Belonging to the privileged circle of independent family businesses, it creates elegant and refined watches for women and men. Founded in 1976, it is now headed by Elie Bernheim, grandson of the founder who gave his name to the company. Across three generations, the Geneva-based firm has been pursuing its development and steadily consolidating its status as a leading light in the Swiss watch industry.

Music and Art are to RAYMOND WEIL what thought is to humankind: an inexhaustible source of inspiration and creativity. This enduring family-driven vision not only forges the strength of RAYMOND WEIL, but also shapes its distinctive nature. Music and Art stimulate its creativity and lie at the heart of all its international partnerships with renowned artists, famous music brands, iconic concert halls, foundations dedicated to supporting the arts, as well as the most prestigious award ceremonies.

Building on more than 40 years of experience, the Swiss watchmaking Maison brings to the fore the watchmaking skills and expertise patiently acquired in Switzerland over the centuries. Precision, quality, reliability, nobility and high-tech materials are the demanding standards of a philosophy that earns it the much-coveted 'Swiss-made' label.
