A FEMININE AND POETIC REINTERPRETATION OF THE LADIES' MAESTRO COLLECTION

Swiss watchmaker RAYMOND WEIL presents a new, feminine version of its iconic *maestro* collection. A reorchestration with an automatic movement radiating poetry and elegance.

Originally launched in 2010, the *maestro* collection by RAYMOND WEIL celebrates Swiss watchmaking virtuosity with the nobility of classical music. Made with the Swiss precision for which the company is renowned, this self-winding mechanical timepiece has a moon phase indicator at 6 o'clock and 38-hour power reserve.

With its sparkling halo of 62 diamonds set in a 34mm stainless steel rose gold PVD coating case, the *maestro* Ladies knows how to stand out. Hosted in its jewelled case, the white mother-of-pearl dial is elegantly decorated with Arabic numerals and a discreet date window at 3 o'clock, further adorned with contrasting royal blue hands composing a contemporary ode to the beauty and grace of time.

Be seduced by the *maestro* ladies' curves and astral dimensions. The purity of mother-of-pearl, delicate moon phase and intense navy-blue strap creating the perfect harmony between elegance, sophistication and innovation. The calf leather strap, embossed with an alligator grain, subtly echoing enchanting night skies.

Curated in six variations, six timepieces symbolising the unwavering bond between RAYMOND WEIL's passion for watchmaking and its love of precision.
